

## EVENING TOURS EVERY TUESDAY

---

Our popular evening paddling continues this season. The first tour is organized on Tuesday 21<sup>st</sup> of June and thereafter, the tour held every Tuesday until 6<sup>th</sup> of September. We meet at the rental at 18.30 for the choice of kayak and equipment and the tour starts at 19:00. The tour is designed so that even the completely inexperienced paddlers can participate and we go at an easy pace between the islets. We expected to be back at the rental shop at the latest at 21:00. The tour is guided by instructors with extensive knowledge of the area and paddling safety.

There are both single and double kayaks, we decide together what suits you.

Book this tour at the latest at 12:00 the same day (minimum 2 people for the tour to be carried out)

*\* In bad weather, the tour can be canceled or rescheduled for safety reasons.*
